7083	Woden-Crystal Lake	Rural	\$ 45,663	Install elevator to make building handicapped accessible.
7092	Woodbine	Rural	\$ 200,000	Upgrading facilities, air conditioning elementary school, and restroom remodeling.
	<b>Grand Total Awarded</b>		<b>\$ 4,806,090</b>	

**Renovation, IDEA, and Technology Grants Program**  
**IDEA/Technology Grants Awarded**  
**May 15, 2002**

Dist. No.	District Name	Type Grant	Grant Amount	Project Description
153	Allison - Bristow	IDEA/Technology	\$ 50,000	Upgrade technology, hardware, software and assistive technology.
270	Anthon-Oto	IDEA/Technology	\$ 17,355	Assistive technology, laptop, screen enlarger, specialized mouse, software, large screen TV, wireless connectivity.
1062	Center Point Urbana	IDEA	\$ 11,500	Converting gymnasium/stage light fixtures from low sodium to metal halide.
1071	Centerville	Technology	\$ 50,000	Electrical wiring for the computer applications, computers, headphones, printers, scanners, AlphaSmart portable keyboard/computers.
1093	Central Decatur	Technology	\$ 50,000	Purchase 20 laptop computers with software.
1116	Charles City	IDEA/Technology	\$ 49,918	Classroom amplification system, stair tracker, personal auditory trainer, technology equipment and software
1206	Clarion-Goldfield	IDEA	\$ 38,600	Remodeling classrooms for special education needs.
1233	Clear Lake	IDEA/Technology	\$ 39,585	39 classroom amplification systems
1431	Corning	IDEA	\$ 33,019	Correct accessibility problems, doors, drinking fountains, restrooms.
1476	Council Bluffs	IDEA	\$ 50,000	New server for each elementary school, wireless WAN to ALHS, fiber optics line.
1968	East Central	IDEA/Technology	\$ 50,000	Fully networked mini-lab with five computers and assistive software.
2088	Emmetsburg	IDEA	\$ 18,991	Upgrading laptop computers for special ed student.
2151	Exira	IDEA	\$ 29,648	Assistive technology, Kurzweil Program, purchase two computers and scanners for resource rooms.
2520	Gliden-Ralston	IDEA	\$ 50,000	Adding an elevator.
2709	Grinnell-Newburg	IDEA	\$ 49,980	Upgrading technology, ports, links.
2834	Harmony	Technology	\$ 50,000	Completely rewire the network in the elem building.
3195	Jefferson-Scranton	Technology	\$ 50,000	Install a computer lab.
3312	Keokuk	Technology	\$ 50,000	Provide access to ICN classroom for individuals with disabilities, provide fiber optic link between schools, provide fiber optic connective between wiring closets.
3744	Lisbon	Technology	\$ 32,483	Assistive Technology (AT) Learning Lab with hardware and software assistive devices.
4043	Maple Valley	IDEA/Technology	\$ 37,500	Assistive technology devices.
4104	Marshalltown	Technology	\$ 50,000	Installation of automated entrance door opening equipment at multiple attendance centers to enhance access at the main entrance of each facility.
4356	Missouri Valley	IDEA/Technology	\$ 50,000	Purchase portable wireless laptops for special ed students in middle and high school.
4437	Montezuma	IDEA/Technology	\$ 50,000	Rewiring, surge protection, switching, new server, remodel restroom, computers, auditory equipment.
4662	New Hampton	Technology	\$ 49,275	Classroom amplification in 29 rooms, alternative communications devices, portable computers & software.
4644	Newell-Fonda	IDEA	\$ 50,000	Replace old bus for disabled student.
873	North Iowa	IDEA/Technology	\$ 50,000	Ramping and approaches to facility and classrooms, conversion of existing space into ground-level locker rooms and cafeteria, playground adaptations, equipping classrooms with speaker systems.
4778	North Kossuth	IDEA	\$ 50,000	Install elevator in elementary and high school.
5049	Ottumwa	Technology	\$ 49,612	Wheelchair Lift at High School, special hardware and software and internet connectivity.
5822	Preston	IDEA/Technology	\$ 50,000	Upgrade technology, assistive technology.
5625	Rockwell City-Lytton	IDEA	\$ 34,700	Purchase a bus to transport a disabled student between buildings.
5697	Rudd-Rockford-Marble Rock	IDEA/Technology	\$ 25,805	Installing infra red sound field amplification in elementary rooms.
5742	Sac	IDEA	\$ 50,000	Purchase a bus to transport a disabled student between buildings.
6093	Solon	Technology	\$ 50,000	Connectivity infrastructure enhancements through fiber optic, wireless data connections, and purchase computers and printers
5751	St. Ansgar	IDEA/Technology	\$ 48,729	Classroom amplification, Stair Tracker, computers and software.
6592	Van Buren	Technology	\$ 50,000	Replacing bleachers, access to junior senior high gym, connectivity at Stockpot Elementary, remodel classroom for special education.
6961	Western Dubuque	Technology	\$ 35,329	Replacing infrastructure switches and hubs to increase network performance and provide a more secure network environment. The network server would be replaced.
7092	Woodbine	Technology	\$ 50,000	Install carpeting, amplification system, audio jacks, DVD/VCR, application server software, laptop computers, washer/dryer, stove, server system.
	<b>Grand Total</b>	<b>37</b>	<b>\$ 1,602,029</b>
